## REQUEST TO DENY/LIMIT INTERNET ACCESS

### Request to Deny or Limit My Child's Access to the Internet and Electronic Mail

In many classes, students are introduced to electronic mail and other global information resources, including the Internet. MPS has developed a policy to enhance your child's education through use of the Internet. A limited number of pre-approved sites are available. **If you want to limit or deny your child's Internet or electronic mail access, fill out the form below and send it to your child's school.** Please feel free to contact the school if further clarification is needed.
