C013902	JANICE HALE Dr. Janie Hale will provide a workshop to principals on May 25, 2010 from 12:30-3:30 pm. The workshop will cover the existing initiatives for improving the education of African American children: 1. The key to effectively teaching children lies in the instructional leadership provided by administrators, 2. Meeting the needs of diverse learners in urban and rural classrooms involves the school becoming the coordinator of support services such as tutoring and mentoring provided by concerned citizens, service clubs, churches and fraternal organizations, 3. Strategies for redefining the school as the Family and the broader community as the Village, 4. A sociology of education will be presented, 5. The state of the contemporary African American family will be explicated. Workshop	CI-RM 253 CURRICULUM & INSTRUC	4,500.00
Objectives:Knowledge, 1. the participant will be able to identify ways in which culture (ethnicity) shapes the ways in which children approach academic tasks and behave in academic settings. Skills, 1. the participant will be able to plan instructional strategies that would facilitate the academic achievement of African American children. 2. The participant will be able to create an educational apparatus that complements the cultural, cognitive and socioeconomic exigencies of African American children. Attitudes and Values, 1. The participant will be able to explicate the reasons why the achievement of educational equity is of critical importance to all Americans. Contractor shall provide, at its own expense, all personnel required to perform the services under this Contract.
